Quality Assurance and Ethical Considerations:

(Briefly describe how you ensured the quality and ethical use of AI)

Quality Check: I've ensured all tests pass, left clean comments were needed, and generally most of the work was my own and I'm confident the quality is okay.

Ethical Use: None of the content in my code has been extensively taken from or copied from other sources.

Reflection on AI Usage:

(Briefly reflect on your experience using AI)

Reflection: Utilizing AI on this assignment helped me better understand the use of unit testing tools in modern day development scenarios. It certainly helped mitigate the several hours someone could spend on an otherwise silly problem. I believe, when used properly, AI is inherently the most powerful tool available in modern day computing.

AI Usage Declaration
